ALBANY, NY – Senator John W. Mannion (D-Geddes,) today released the following statement on the Senate’s plan to rescind arbitrary COVID-19 restrictions:

“I’ve been calling for an end to arbitrary restrictions like food with alcohol for months.

“It never made sense.

“The arbitrary curfew should be the next thing to go.

“I want to thank Leader Stewart-Cousins for championing the way forward with these changes.”
